March 19, 2025

Dear friends and supporters,

This letter certifies that Scotty Milne is organizing the **5<sup>th</sup> annual Battle for Breath** fundraiser in support of Cystic Fibrosis Canada on June 7<sup>th</sup> and 8<sup>th</sup>, 2025.

Cystic Fibrosis Canada is a leading national not-for-profit organization, recognized as one of the top three charities worldwide dedicated to improving and extending the lives of individuals with cystic fibrosis (CF). Over our 65-year history, our advancements in CF research and care have more than doubled the life expectancy of Canadians with cystic fibrosis. CF is the most common fatal genetic disease affecting young Canadians, devastating the lungs and digestive system. While there is no cure, our research investments have significantly improved many Canadians' lives.

Change Makers are passionate advocates, community builders, and fundraisers who mobilize local support across all provinces and territories to champion Cystic Fibrosis Canada's groundbreaking efforts. Our goal is to raise substantial funds for research, advocacy, care, and support, enhancing the lives of those with CF.

We invite you to join our mission to find a cure for cystic fibrosis. We depend on the generous fundraising efforts of our community, donors, partners, and volunteers to help us create a world without limits for everyone impacted by CF. Supporting this fundraiser could help finance some exciting projects!

Please do not hesitate to contact me if you have any questions or comments. You can also reach out to Cystic Fibrosis Canada directly using the contact information provided above to confirm this fundraiser.

Thank you for your consideration.

Sincerely,

Christy Thomson  
National Director, Community Events
