January 12, 2026

Dear supporters,

This letter certifies that the KW Wargaming Guild is organizing the fundraiser Battle for Breath in support of Cystic Fibrosis Canada on June 13 & 14.

Cystic Fibrosis Canada is a leading national not-for-profit organization, recognized as one of the top three charities worldwide dedicated to improving and extending the lives of individuals with cystic fibrosis (CF). CF is the most common fatal genetic disease affecting young Canadians, devastating the lungs and digestive system. Since being founded in 1960 by parents of children with cystic fibrosis, we've worked closely with the cystic fibrosis community and our generous supporters to dramatically change the cystic fibrosis story, for the better.

As we mark Cystic Fibrosis Canada's 65th anniversary this year, we celebrate the remarkable tale of what's possible when people unite behind a shared goal. Today, we have a treatment that has changed many people's lives: they feel better, have more energy and fewer hospitalizations. In the past year we have successfully pushed for changes that have allowed even more people to access the treatments they need. We also marked a new survival milestone: half of babies born with CF today will live beyond their 60th birthdays. But it also means that half won't. That's why our work to rewrite the cystic fibrosis story in Canada is not done. Yet.

Change Makers are passionate advocates, community builders, and fundraisers who mobilize local support across all provinces and territories to champion Cystic Fibrosis Canada's groundbreaking efforts. Our goal is to raise substantial funds for research, advocacy, care, and support, creating a world W/O limits for everyone impacted by CF.

We invite you to join our mission to act boldly for all Canadians living with cystic fibrosis so they can live longer, healthier, fuller lives.

Please do not hesitate to contact me if you have any questions or comments. You can also reach out to Cystic Fibrosis Canada directly using the contact information provided above to confirm this fundraiser.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Cstellato".
